

Electro-design

Manufacturers' representatives since 1980

- Amphenol RF** **World Leader in RF Connectors**
BNC/TNC /SMA/SMB/SMC 50 & 75 ohm
MMCX, MCX, 1.0/2.3, Reverse Polarity, Type N, UHF, 7-16, AMC & AMMC (U.FL & W.FL)
- Amphenol Commercial Products** **World Class Interconnect Solutions**
High Speed I/O: SATA, SAS, Mini-SAS, GB Ethernet, **Filtered Connectors**, **IP67 connectors:** USB, RJ45, D-Sub
Industry Standards: RJ45 & GBe Jacks, single & Multi port; D-sub, USB, IEEE 1394
- Amphenol Connex** **World Class RF Connectors**
Industry Standard & Custom design, UL, ISO 9001
- Amphenol Audio** **World Class Audio Connectors**
XLR, RCA, Phono Plug & Jack
High Quality & Competitive Price from the company which invented XLRs
- Application Tooling Solutions (ATS)** **World Leader in Application Tooling**
Application Tooling, Termination Presses
- Belden** **World Leader in Wire & Cable Technology**
Custom coaxial, composite, Multiconductor cable
Design & prototype through production
- Bentley Harris** **Wire & Cable protection Products**
Roundit 2000® Self wrapping sleeving, Expando sleeving
- Dayton Rogers** **Full Service Metal Forming Solutions**
Precision Sheet Metal Fabrications: Prototypes and Production
Laser/ Turret/ Brake Press; Tube Bending; Stamping; Drawn Shapes; Secondary Operations and Assembly
- Electroswitch** **World Leader in Solutions for switching & controlling circuits**
Rotary and miniature switches
Solenoids, Encoders & Indicator Lights
- HellermannTyton** **Heat Shrinkable Molded Parts**
Direct Crosses to Raychem
Mil-Spec MS3109 & MS3117
- Identification Systems**
Labels, Heat Shrink, Self Laminating, Adhesive
- Interpower** **International & North American Power Components**
Power cords & cord sets Standard & Custom **1 week Lead Time**
Power modules & filters Inlet/outlet connectors
- Komax** **World Leader in Wire Processing Systems**
Benchtop Cutting, Stripping, Crimping Machines
Robotic Termination Systems
- Sumitomo** **World Leader in Heat Shrink Tubing, Shrinkable Solder & Crimp Devices**
Heat Shrink Tubing: UL/CSA/Mil Spec
Immersion resistant shield terminators and related products
Heat shrink tubing thermal marking system designed for high volume printing
- Vanguard Electronics** **RF & Power magnetics**
Space, military and high reliability industrial applications
