

Electro-design

Manufacturers' representatives since 1980

Amphenol RF

World Leader in RF Connectors

BNC/TNC /SMA/SMB/SMC 50 & 75 ohm
MMCX, MCX, 1.0/2.3, Reverse Polarity, Type N, UHF, 7-16, AMC & AMMC (U.FL & W.FL)

Amphenol Commercial Products

World Class Interconnect Solutions

High Speed I/O: SATA, SAS, Mini-SAS, GB Ethernet, Infiniband **Filtered Connectors:** BNC, D-Sub, Microribbon, custom, RJ
Industry Standards: RJ45 & GBe Jacks, single & Multi port; D-sub, USB, IEEE 1394

Amphenol Connex

World Class RF Connectors

Industry Standard & Custom design, UL, ISO 9001

Amphenol Audio

World Class Audio Connectors

XLR, RCA, Phono Plug & Jack
High Quality & Competitive Price from the company which invented XLRs

Amphenol Fiber Optic Products

Fiber Optic Interconnect Products

Connectors, Cable Assemblies, Attenuators, Couplers: Industry Standard & Custom design

Application Tooling Solutions (ATS)

World Leader in Application Tooling

Application Tooling, Termination Presses

Belden

World Leader in Wire & Cable Technology

Custom coaxial, composite, Multiconductor & fiber cable
Design & prototype through production

Bentley Harris

Wire & Cable protection Products

Roundit 2000® Self wrapping sleeving, Expando sleeving

Dayton Rogers

Full Service Metal Forming Solutions

Precision Sheet Metal Fabrications: Prototypes and Production
Laser/ Turret/ Brake Press; Tube Bending; Stamping; Drawn Shapes; Secondary Operations and Assembly

Electroswitch

World Leader in Solutions for switching & controlling circuits

Rotary and miniature switches
Solenoids, Encoders & Indicator Lights

HellermannTyton

Heat Shrinkable Molded Parts

Direct Crosses to Raychem
Mil-Spec MS3109 & MS3117

Identification Systems

Labels, Heat Shrink, Self Laminating, Adhesive

Interpower

International & North American Power Components

Power cords & cord sets Standard & Custom **1 week Lead Time**
Power modules & filters Inlet/outlet connectors

Komax

World Leader in Wire Processing Systems

Benchtop Cutting, Stripping, Crimping Machines
Robotic Termination Systems

Vanguard Electronics

RF & Power magnetics

Space, military and high reliability industrial applications

535 NE Cows Street, McMinnville, OR 97128 503-472-0481

13606 NE 20th Street, Bellevue, WA 98005 425-641-4170
