

Electro-design

Manufacturers' representatives since 1980

Amphenol RF

World Leader in RF Connectors

BNC/TNC /SMA/SMB/SMC 50 & 75 ohm, **HD-BNC**

MMCX, MCX, 1.0/2.3, Reverse Polarity, Type N, UHF, 7-16, AMC & AMMC (U.FL & W.FL)

RF Cable assemblies: standard configurations

Amphenol AICC

World Class Interconnect Solutions

FCI now a part of Amphenol: BTB, WTB, PWRBlade, FPC, Optical Interconnect

High Speed I/O: SATA, SAS, PCIe, Mini-SAS, Mini-SAS HD, SFP+, QSFP+, USB Type C

IP67 connectors: USB, RJ45, D-Sub, USB Type C

Industry Standards: RJ45 & GBe Jacks, single & Multi port; D-sub, USB

TCS High Speed Backplane connectors to 50G+

Amphenol Audio

World Class Audio Connectors

All industry standards: XLR, RCA, Phono Plug & Jack

High Quality & Competitive Price

Amphenol Printed Circuits

World Leader in Printed Circuit Technology

Rigid PCB: 1-64 layers, high speed, controlled impedance, .003 lines/spaces

Flexible & Rigid-Flex: 1-30 layers AS9100

Belden

World Leader in Wire & Cable

Custom coaxial, composite, Multiconductor Cable

Design & prototype through production

Electroswitch

World Class Solutions for switching & controlling circuits

Rotary and miniature switches, Solenoids, Encoders & Indicator Lights

Federal Mogul

Wire & Cable Protection Products

Roundit 2000® Self wrapping sleeving, Bentley Harris Expando® sleeving

HellermannTyton

Heat Shrinkable Molded Parts Direct Crosses to Raychem/MS3109 & MS3117

Identification Systems: Labels: Heat Shrink, Self-Laminating, Adhesive

Interpower

International & North American Power Components

Power cords & cord sets Standard & Custom **1 week Lead Time**

Power modules & filters Inlet/outlet connectors

Komax

World Leader in Wire Processing Systems

Benchtop Cutting, Stripping, Crimping Machines, Coaxial Cable Stripping

Robotic Termination Systems

Micropac

Optoelectronic components, electronic assemblies and multi-chip microelectronic modules for the aerospace, space (radiation tolerant), military, industrial, and medical markets.

Wi2Wi/Precision Devices

Worldwide leader in High Reliability Crystal frequency control devices

Crystals/Crystal Filters/LC Filters/Oscillators—TCXO, VCXO, OCXO, PECL, LVPECL

Mil-PRF-55310, MIL-PRF-3098, MIL-PRF-38534, Space approved, QPL, ITAR

535 NE Cowlis Street, McMinnville, OR 97128 503-472-0481

13606 NE 20th Street, Bellevue, WA 98005 425-641-4170
