

Electro-design

Manufacturers' representatives since 1980

Amphenol CS

World Leader in Interconnect Solutions

High Speed I/O: SATA, SAS, PCIe, Mini-SAS, Mini-SAS HD, SFP+, QSFP+, OSFP,

IP67 connectors: USB, RJ45, D-Sub, USB Type C

Industry Standards: RJ45 & GBe Jacks, single & Multi port; D-sub, USB 4, USB Type C

TCS High Speed Backplane connectors to 112G

FCI now a part of Amphenol: BTB, WTB, PWRBlade, FPC, Optical Interconnect

Amphenol RF

World Leader in RF Connectors

Industry Standards:

- SMP, SMPM, BNC/TNC /SMA/SMB/SMC/HD-BNC
- MMCX, MCX, 1.0/2.3, Reverse Polarity, Type N,
- AMC & AMMC (U.FL & W.FL)RF
- RF Cable assemblies
- Extensive Custom Capabilities

Electroswitch

World Class Solutions for switching & controlling circuits

Rotary and miniature switches, Solenoids, Encoders & Indicator Lights

CW Industries Lighted Switches: Pushbutton, Rocker, Slide, Toggle

CTI Electronics Keyboards, Joysticks, Trackballs for Harsh Environments

HellermannTyton

World Leader in Heat Shrinkable Molded Products

Heat Shrinkable Molded Parts; Direct Crosses to Raychem/MS3109 & MS3117

Interpower

International & North American Power Components

Power cords & cord sets Standard & Custom - **1 week Lead Time**

Power modules & filters Inlet/outlet connectors

Micropac

Optoelectronic components

Electronic assemblies and multi-chip microelectronic modules for the aerospace, space (radiation tolerant), military, industrial, and medical markets.

Tenneco

World Leader in Wire & Cable Protection Products

Abrasion Protection

Thermal protection,

EMI/RFI protection

Roundit 2000® Self wrapping sleeving, Bentley Harris Expando® sleeving
